Re: Sony Corporation v. Vizio, Inc., Case No. 08-01135

This letter is in response to your letter of June 24, 2009 regarding Sony's inspection of accused VIZIO products.

Enclosed on page 2 of this letter is a list of televisions that VIZIO will make available for inspection, provided we first get Sony's commitment to make its televisions that it claims are covered by the asserted patents available for inspection by VIZIO. As previously agreed, any inspection of these televisions will commence under the inspection protocols explained in your letter of June 4, 2009, and my letter of June 19, 2009.

Please let me know the date proposed by Sony to commence its product inspection and I will find out if that is agreeable to VIZIO. Before that inspection can take place, however, we need to know whether Sony will make its products available for inspection and when such an inspection can take place. We look forward to hearing from you regarding that inspection.

Sincerely,

/s/ Steven J. Corr
